## About Tarun Chetna

Tarun Chetna was formed by a group of youths who were strongly influenced by the principles of Mahatma Gandhi who believed in equality and social justice. Founder of Tarun Chetna Mr. Mohd. Nasim Ansari is very spiritual from childhood had a passion for social work. So I remained in the village even though he had chance to go out of his village.

I believed that social change could only be possible with the change in the lives of poor and marginalized people. The mobilization of the poor and socially disadvantage people who could gain access, influence decision and use the available resource effectively increase their status were envisaged during the initiation of Tarun Chetna. Two of my social activist friend also influenced him to initiate a process of development where people have access to better health and education, where people have communal harmony. Our Ngo partnership Code No. is UP/2009/0000796 allotted by Planning Commission of India.

### Background & Emergence:-

Tarun Chetna Sansthan is a voluntary development organization established in 1993 with the prime objective of upliftment of poorest communities especially the marginalized women & child in the Pratapgarh, Jaunpur & Allahabad district in U.P. Pratapgarh is one of the poorest district area of 100 districts in India identify by planning commission of India Government.

Tarun Chetna was formed by a group of youths who were strongly influenced by the principles of Mahatma Gandhi who believed in equality and social justice. Founder of Tarun Chetna Mr. Mohd. Nasim Ansari is very spiritual from childhood had a passion for social work. So he remained in the village even through he had chance to go out of his village.

He believed that social change could only be possible with the change in the lives of poor and marginalized people. The mobilization of the poor and socially disadvantage people who could

gain access, influence decision and use the available resource effectively increase their status were envisaged during the initiation of Tarun Chetna. Two of his freedom fighter friend also influenced him to initiate a process of development where people have access to better health and education, where people have communal harmony.

### **Institutional aims**

- To promote the national integration & communal harmony in society..
- To improved the social, cultural and scientific awareness in soceity.
- To promote and working of national & social development program related health, education, agriculture, women empowerment, child development etc.
- To help & aware the poorest & B.P.L. families, so that they could rise on the occasion to live holistic life.
- To make a environment for total development of children and provide each children opportunity to live holistic life..
- To promote & develop, dissemination self-reliance and appropriate rural technology.
- To empower community to sustain project activities in a systematic manner, where they would participate a process of rural development.
- To decrease social peculiar like dowry, drug edits superstition etc.
- To promote publishing undertaking of library, education center, & IEC materials and research works.
- To promote cottage & villages industry, agro industry etc.
- To organize training, meeting and seminar & all possible activities for rural development.

### **Vision:**

The vision of the organization is derived from Sanskrit slogan which means“ A society free from exploitation where peoples have access to better health and education and having a good quality of life. It means “*सर्वे भवन्तु सुखिनः, सर्वे सन्तु निरामया* ”.

### **Mission:**

In order to achieve the vision of organization has undertaken the following mission “To organize different communities and empower them, So that they became independent and self reliant and they live a holistic life for actual establishment of Gram Swarajya” it means. “*सही अर्थों में ग्राम स्वराज्य की स्थापना करना*”
